Collections, Debt Sale and Purchase conference 2009

Dear Brian Greenberg,

Thank you once again for speaking at our recent Collections, Debt Sale and Purchase conference which took place on 19 November 2009 at the Chesford Grange, Warwickshire. I can confirm that having collected the delegate feedback, 100% of the delegates we asked rated your session and you specifically as being good – excellent. We were extremely pleased with the day and the feedback we received was that the content and quality of speakers had been very high and people gained a lot through attending. We look forward to holding the event again next year.

Please keep in touch with Credit Today whether on an editorial or event basis. We look forward to working with you again in the future.

Natasha Fernandes
