### **GA Advises in the Acquisition of Hunter Warfield’s Commercial Collection Division**

**Rockville, MD – January 19, 2021** – Greenberg Advisors (“GA”) is pleased to announce the acquisition of Hunter Warfield’s (“HW”) commercial collection division by a leading commercial collection agency. GA represented the buyer in the transaction. This deal underscores GA’s position as a market-leading advisor to well-run Accounts Receivable Management firms.

The buyer, which is one of the largest commercial collection firms globally, expanded its client footprint and talent pool by absorbing HW’s growing commercial collection practice, enabling HW to focus on its consumer collections business.

“I’ve known the shareholder of HW for at least 15 years, so when it was time for them to consider divesting this business unit, they turned to GA,” noted Brian Greenberg, CEO of GA.

Casey Krasko, Associate at GA, added, “This corporate carve-out was such a good strategic fit for both buyer and seller, which helped expedite the diligence process making it one of the faster transactions we completed this year.”

The transaction came to fruition as a result of a buy-side acquisition program that Greenberg Advisors leads for this client. It closed in Q4 2020 and is one of five transactions that GA completed in 2020.
